Jo Roach

Office Manager | St Andrew's, Histon

“ The course provided me with space to think, confidence in my knowledge and abilities to lead, and tools for handling the challenges of management along the way. It was also a wonderful place to meet with others who understood the particular stresses of a management role within churches ”

Hear from some of our course graduates...

Jon Drayton

Operations Manager | St Mary's, Cheadle

“ The course is excellent and thoroughly enjoyable, with exceptionally good practical content and delivery. It is hard to quantify just how great the benefit is of meeting with others in similar roles but in different circumstances, being able to pray with them and share fellowship is a huge blessing ”
