

MANAGING CHURCH WELL

ILM Level 5 Certificate in Leadership & Management

AN EXCITING AND ENGAGING ACCREDITED COURSE TO EQUIP YOU IN YOUR MINISTRY OF LEADERSHIP & MANAGEMENT.

Leadership & Management in a Christian organisation is a marathon, not a sprint ... and there are hurdles along the way.

Talk of 'vision' & 'mission' often brings about a focus on the task at hand, but achieving the task requires doing the 'people' bit well. This is often where we fall down.

How can you manage well in a task focussed yet people orientated way, enabling relationships and effectiveness to thrive?

UCAN is delighted to introduce the UK's first accredited Church Management course led by sought-after leadership & management coach and ILM tutor, Rachel Slough.

Rachel has over 10 years experience across secular, public and charitable sectors helping managers manage others, manage up and manage themselves, well.

The course is designed for Church Managers, Operations Directors and Senior Administrators, or anyone wanting to apply professional tools and biblical wisdom to their workplace leadership. It will equip you to advance your management competencies to a more strategic level, enabling you and others to thrive in your roles.

It is delivered over 18 months with 8 contact days. The qualification is assessed via 3 work based written assignments. Course participants will be supported through triplet relationships and inclusive 1:1 coaching sessions.

We believe that there is more to leadership than simply mastering competencies. So, we have designed this course to take a holistic approach to help you grow spiritually, emotionally and relationally. Interactive workshops combine relevant work subjects that are also linked to the Bible and your faith, led by facilitators who bring a unique mix of expert knowledge and real life experience.

Triplet groups provide opportunity for ongoing encouragement, support and reflection.
